

Celebration of ICAR – Day in the ICAR – National Research Centre for Grapes, Pune

On the occasion of ICAR – Day on 16th July, a tree planting program was organized in the campus of ICAR – National Research Centre for Grapes, Pune. The theme of “Har medh par ped” was the theme of the tree planting campaign.

The Director, ICAR-NRCG, Pune, Dr. R. G. Somkuwar, remarked that only planting of trees is not enough, but it should be maintained, as well. Other scientist, administrative staff, SRFs and YP I and IIs were also present in the program.
