A programme on 'Cleanliness and sanitation drive' was conducted on 19th December, 2020 at Bhavara vasti village maintaining the social distancing and wearing of mask. During the peak period of Covid-19 Gramanchayat distributed the mask and steam machines to the villagers. ICAR-NRC for Grapes, Pune and Grampanchayat jointly conducted the sanitization of whole village and provided the tractor driven sprayers as and when required for sanitization. Villagers showed their concern for disposal of the waste material. Institute assured them to provide the separate dustbins for biodegradable and non-biodegradable material and make them aware about the proper segregation of the waste material. The bio-degradable material will be collected by the institute and will be used to make the compost.
