Swachhta Pakhwada Daily Report :

Dated : 20.12.2020

Name of Institute	Activities	No. of officials/ officer Participated	Number of person participated (Public)
ICAR- NRC For Grapes, Pune	Stock taking of waste management activities including utilization of organic wastes/ generation of wealth from waste, polythene free status, composting of kitchen and home waste materials, promoting clean & green technologies and organic farming practices in kitchen gardens of residential colonies and providing on the spot technology solution.	25	25

The following activities were carried out during the programme.

- 1) Stock taking of waste management activities including utilization of organic wastes/ generation of wealth from waste, polythene free status, composting of kitchen and home waste materials was done for residential colony of staff quarters. It is found that residents are doing regular waste management activities like segregation of waste and their disposal. Residents were using kitchen waste in kitchen garden for producing required vegetables and fruits thus generating wealth from kitchen waste. There was awareness of waste management among the residents and the campus was found to be polythene free.
