

## Report on “Poshan Vatika Maha-Abhiyan & Tree Plantation’ organised by ICAR-NRCG, Pune

ICAR-National Research Centre for Grapes, Pune organised “Poshan Vatika Maha-Abhiyan & tree Plantation’ to celebrate the “International Year of Millets 2023’ on 17.09.2021. The Centre invited 65 farmers from different adjoining areas and 73 girls to attend this programme following the Covid-19 guidelines. Dr. R. G. Somkuwar, Director distributed total 1000 grapevines to the farmers on this occasion. Total 100 plants comprising of coconut, grapes and mango were planted by the girls who participated the programme. The sweets made from ragi (finger millets) was distributed among the participants.

ICAR-NRCG, Pune has organized this programme individually at campus as well as in collaboration with Krishi Vigyan Kendra, Kharpuri, Jalana (Maharashtra). The programme conducted by KVK, Kharpuri, Jalana was attended virtually by the institute staff and all participants.
