A cleanliness and sanitation drive was conducted on 19th December, 2022 at Bhavara vasti village. Overall cleanliness was observed in the village, as waste collecting vehicle is regularly collecting the waste from the village. But gap was identified for proper segregation of biodegradable and non-biodegradable waste. This issue was also discussed with the grampanchayat representative and he assured to regularize the proper segregation of biodegradable and non-biodegradable waste. Also school children were educated for segregation of biodegradable and non-biodegradable waste and its benefits.
