Dated: 21.12.2022

Name of the Institute	Name of Activity	Number of officers/ officials participated	Number of persons participated (public)
ICAR-National Research Centre for Grapes, Pune	Campaign on cleaning of sewerage & water lines , awareness on recycling of waste water, water harvesting for agriculture/ horticulture application/kitchen gardens in residential colonies/ I-2 nearby villages.	21	--

As part of Swachta Pakhawada (16<sup>th</sup> to 31<sup>st</sup> December, 2022) program, ICAR-NRCG has organized an awareness program on cleaning of sewerage & water lines, awareness on recycling of waste water, water harvesting for agriculture/ horticulture application/kitchen gardens to the officials of ICAR-NRCG. During the awareness program, we also explained the water treatment plant of ICAR-NRCG and how the rain water harvesting is recycled in NRCG for the daily use. We also appealed to all the participants to create awareness within their housing societies on cleaning of sewerage & water lines and recycling of waste water for daily use.
