

Training program on “Scientific Production of Soyabean” under SCSP programme.

A training programme on “Scientific Production of Soyabean” was held on 21.06.2022 at KVK, Babhaleshwar, Ahmednagar under the SCSP programme. 29 beneficiaries attended the training programme. Dr. S.D.Nalkar, Sr. Scientist and head in his introductory remarks mentioned the importance of soyabean and its economic impact on beneficiaries. He further thanked Director, ICAR-NRCG, for collaborating with the KVK for such training programme. Dr.Sujoy Saha, Principal Scientist and in-charge SCSP elucidated the important role of beneficiaries in successful production of soyabean and emphasized on the impact analysis of such project. The participants were imparted training on nutrient and irrigation management, agronomical practices and crop protection strategies for soyabean crop by the subject matter experts of KVK Babhaleshwar.
